

Making Emmie Smile

By Ellen Weisberg
and
Ken Yoffe

**As a baby,
Emmie wouldn't
smile...**

**Auntie Jane wondered how to get Emmie to smile.
She tried gathering lots of beautiful flowers for Emmie to
look at.**

**It didn't work...
As Emmie grew,
she still wouldn't
smile.**

**Cousin Frank wondered how to get Emmie to smile.
He tried making silly faces with his friends.**

It didn't work...
As Emmie grew,
she still wouldn't
smile.

**Great Grandma Mae wondered how to get Emmie to smile.
She tried finding plenty of delicious foods for Emmie to eat.**

**It didn't work...
As Emmie grew,
she still wouldn't
smile.**

Nana Sheila and Poppy Joe wondered how to get Emmie to smile. They tried giving her lots of toys.

**It didn't work...
As Emmie grew,
she still wouldn't
smile.**

Then Nana Sheila had an idea. She tried tickling Emmie.

**It worked!
The tickling formed
a smile on Emmie's
face that lasted
and lasted.**

The most treasured
gift that we can give
people
is often one
that we can't see.

But they can.
